International superstar **CHOW YUN-FAT** (*Crouching Tiger, Hidden Dragon*) makes his Hollywood debut with Oscar®-winner **MIRA SORVINO** (1995 Best Supporting

Actress, *Mighty Aphrodite*) in **THE REPLACEMENT KILLERS**, a fierce and explosive action thriller from director **ANTOINE FUQUA** (*Training Day*, *Tears of the Sun*).

After he betrays Mr. Wei, the ruthless crime boss who hired him to avenge his son's death, professional killer John Lee (Yun-Fat) goes on the run. Enlisting the aid of beautiful document forger Meg Cohn

(Sorvino), Lee attempts to return to his family in China before they are victimized by his betrayal. But Wei's army of "replacement killers" is hot on his trail, and now both he and Meg are targets of their impressive firepower. With both sides fully armed and determined to fight to the death, an ultra-violent shoot-out breaks out when they finally face off against each other. It's "a seamless fusion of Hong Kong action-adventure style and cool" (*The New York Times*) that will blow everyone away — including you!

"A SLEEK PIECE OF FILMMAKING."

— Stephen Holden, *THE NEW YORK TIMES*
